# **LOCAL 25 FIFTH ANNUAL COLLEGE SCHOLARSHIP GOLF OUTING**

On September 30, 2022 Local 25 held its Annual College Scholarship Golf Outing. This year's event was held at the Wind Watch Golf Course in Hauppauge. Once again we had a nice warm sunny day and we all had a great time. I would like to thank all the contractors and vendors that donated to this great event. In the centerfold you will see the list of contractors and vendors that donated.

# BUSINESS MANAGER'S REPORT

**BY KEVIN B. CASEY**

Sisters and Brothers, as I sit here and write this article for the Conduit, it is the middle of November and Election Day has just passed, thank God. As Business Manager, the day after Election Day is a great day no matter what the results are. The weeks and months leading up to the Election are the constant phone calls from politicians to the hall and even to my cell phone, which I have no idea how they get that number, looking for Local 25's support. Some of these people I have never even heard of, and most of them never get a return phone call. Like I said, the day after Election Day is a great day.

Employment has slowed down a little since the last Conduit article, which is pretty normal for this time of year. I'm pretty confident that right after the holidays things should start to crank back up with job calls. We do have some very large jobs that should start to ramp up soon: UBS Retail Village, Good Samaritan Hospital, Jakes 58, and Brookhaven National Lab Welcome Center, just to name a few.

On September 30th Local 25 held its 5th Annual College Scholarship Golf Outing. Once again it was a huge success. Since we started this event, we have given out 52 scholarships to members' kids. As of this year, we have paid out \$289 thousand dollars in scholarship tuition, which is an average of \$5,500 dollars per scholarship. Before we started this event, the Local gave out a \$200 dollar scholarship. I would like to thank everyone that helped make this a great event; especially Sean Meehan who puts this event together every year.

On October 9th, Local 25, for the second year, in a row took two coach buses to the NY Jets game and once again we had a great time. It was a beautiful day, and for the second year in a row the Jets won.

On October 29th, Local 25 held its Annual Halloween Kids Party. This event is getting bigger and bigger every year. I would like to thank Jason Ugenti for all the time he puts into this event.

I would like to thank all the Apprentices that helped set up the Girl Scouts' Christmas displays down at Smiths Point for their Annual Christmas Light Show.

On December 10th Local 25 will be holding its Annual Christmas Holiday Kids Party. This event has been going on for over 60 years. I remember going as a kid in the 70's, and it is always a great time for the kids.

Brothers and Sisters, that ends my report for this issue of the Conduit. Remember to work safe, turn off energized circuits, and always stick together.

HAPPY HOLIDAYS, BROTHERS AND SISTERS

*Shut it Off*

# PRESIDENT'S REPORT

BY JOHN GUADAGNO

As 2022 comes to an end, I would like to thank all the committees and members for doing such a great job during the year. We completed many volunteer projects, such as the AM Vets in Islip, the Winter Brothers Center for Autism in Babylon, and the lighting of the Suffolk County Girl Scouts Light Show in Smith Point. A special shout out to all the Apprentices for stepping up this year and giving back to our local. On October 9th, the Local rented two buses for the trip to the New York Jets game. The weather was perfect, and a great time was had by all. Thanks to Chris Callahan for cooking and Joshua Margolis for managing the day in my absence.

Local 25 held its Fifth Annual Halloween Party on October 29th at the hall to great success. Thank you to all who helped that day. Jason Ugenti, Anthony Zagger, and Jennifer Megliola did a great job, and it was a fun day for all the children and their families.

On the home front, we completed the painting of our Union Hall and added a TV over the bar. Thank you to Tony Zagger and Joe Sgaraglio for maintaining our hall during the year.

Finally, the President's office would like to wish every member and their families a Merry Christmas, Happy Hanukkah, and Happy Holidays with best wishes for a healthy and prosperous New Year.

## DO THE RIGHT THING

PLEASE USE THE ATTACHED ENVELOPE TO MAKE YOUR DONATION TO THE VUF COMMITTEE TO HELP THE MEMBERS WHO ARE UNEMPLOYED

*A Dead Circuit Never Killed Anyone*

Apprenticeship is a discipline that combines **on-the-job** training with classroom related instruction to properly prepare an individual for the career of his/her choice. Keeping this in mind, no member of Local 25 can argue the fact that, ***“The future of our Industry rests in the hands of our apprentices.”***

The JATC provides the required classroom related instruction (School) at 370 Motor Parkway, Hauppauge, NY...and in some subject areas, can even provide exposure to jobsite work processes that the apprentice might see on a job. But, please don't forget what **on-the-job** training means... It means just that...**ON-THE-JOB**. The JATC has exposure to the apprentice for a minimum of 1000 hours of classroom related instruction over the course of his/her apprenticeship. The jobsite has exposure to the apprentice for a minimum of 8,200 hours of **on-the-job** training over the course of his/her apprenticeship. In terms of percentages, that means that the overall development of an apprentice to become a competent IBEW Journeyman is

achieved by approximately 15% classroom related instruction and **85%** from **on-the-job** training. This large difference in percentages only reinforces the fact that the interaction between the apprentice and journeyman **on-the-job** is a crucial component to the overall success of the apprentice.

Please remember that as a Journeyman, it is your responsibility to COACH, MENTOR and DISCIPLINE the apprentice **ON-THE-JOB**...Resulting in the development of a proud, competent IBEW Journeyman.

On behalf of the JATC Trustees, I would like to wish everyone a very Blessed Holiday Season as well as a Happy, Healthy & Prosperous New Year!

Until my next article, please remember:

**IT'S NEVER TOO INCONVENIENT TO SAVE A LIFE - SHUT IT OFF!**

*Respectfully Yours,  
Christopher E. Kelly  
Training Director*

## **JOB TRAILER / SHANTY / GANG BOX TEACHING ON-THE-JOB SKILLS (ENSURING THE FUTURE OF OUR INDUSTRY)**

### **STEP 1 – PREPARE THE APPRENTICE**

Put the apprentice at ease. Let them know how important they are and that you are sincerely concerned about them. Be sure they understand that they are... Our Future! State the job task and determine what the apprentice already knows it. Get the apprentice interested in learning. Position the apprentice to properly observe your performance of the job task.

### **STEP 2 – PRESENT THE JOB TASK**

Tell, show, and illustrate – ONE IMPORTANT STEP AT A TIME – Stress each key point. Instruct clearly, completely, and patiently; but never more than the apprentice can comprehend and master at one time.

### **STEP 3 – TRY-OUT PERFORMANCE**

Have the apprentice do the job, correct errors as they perform the task the 1st time. Make sure they understand each step. Continue until you are confident that the apprentice can perform the task correctly.

### **STEP 4 – FOLLOW-UP**

Allow the apprentice to perform the task on their own, designate what they should do if they need your assistance. Encourage questions and safe work practices. Check performance frequently. Taper-off on coaching and follow-up as each task is mastered and the apprentice begins to demonstrate confidence and ability.

Please Don't Forget...

*“If the apprentice hasn't learned **on-the-job**...  
then the journeyman hasn't taught **on-the-job!**”*

### Veterans Day 2022

November 11th is the day we honor and thank Veterans for their service to our country. The families of our service members should also be appreciated and thanked. Sending their sons and daughters into harm's way for all of us is a great sacrifice. Thank you, Veterans. Thank you to the families that sent us the most precious thing that they have to protect us all.

*C.O.P.E. (Committee On Political Education)*

Brothers and Sisters,

When you read this article, we should have concluded our elections. Whomever you voted for; voting is important. Whatever the results are, we must move forward and work on our local politicians. Our local elections year to year, from school boards to judges and state legislators, affect us daily. Apprentice program language in all of Nassau and Suffolk counties helps us grow, union density,

growing our market share as well as continuing to elect labor friendly politicians. Our own Brothers and Sisters and their family members should consider running for local political positions, whether it is a school board to county positions.

I wish you all a Merry Christmas, Happy Holidays and Happy New Year.

In Solidarity,  
**Joshua E. Margolis**
