**2022 BLOCK PARTY
IS BACK**

The Local 25 Block Party was held on Saturday, August 13, 2022. The first time that we have had it in two years because of Covid. And once again it was a huge success. We had a beautiful day with the temperatures in the

low 80's, a perfect day for the water slide and the dunk tank. We had approximately 500 in attendance this year and once again we all had a great time as you will see from the pictures.

BUSINESS MANAGER'S REPORT

BY KEVIN B. CASEY

Sisters and Brothers, as I sit here and write this article for the Conduit, it is the middle of September, Labor Day has just passed and the kids are back to school. Employment is still very strong. We still have been putting out travelers the last few weeks; with approximately 50 travelers working in the jurisdiction.

In my last Conduit article, I mentioned a few projects that have just started or should be starting by the end of the year, like Good Sam Hospital, Jakes 58, Forge River Sewage Treatment Plant, the UBS Retail Village and the second phase of Ronkonkoma Hub. There are some other massive projects slated to start in 2023, like the 3-billion-dollar Electron Collider at Brookhaven Lab, the new Southampton Hospital, Midway Crossing project at MacArthur Airport and the 35 megawatt Solar Farm, just to name a few. So, the work picture looks very good for the next two or three years.

There has been some more changes to Local 25 Officers since the last Conduit. With the resignation of Brother Rob Horrigan from the Executive Board, the Executive Board unanimously appointed Brother John Slatton to fulfill the remainder of the term on the Executive Board. Brother Slatton is a Shop Steward and has been an Examining Board Officer for the past 5 years. Brother Slatton's appointment to the Executive Board left a vacancy on the Examining Board, so the Executive Board has unanimously appointed Brother Jason Ugenti to fulfill the term on the Examining Board. Brother Ugenti is a Shop Steward and a Door Foreman for Local 25. I would like to congratulate both these Brothers on their new appointments as Officers for Local 25.

We have been very busy here in the office the last couple of months, with the Annual Local 25 Block Party, the Annual Local 25 Softball Tournament, the three busses to the NY Yankees game, the two busses to the NY Jets game, and the Local 25 College Scholarship Golf Outing. We also have had four conferences in September and October, starting with the IBEW Membership Development Conference in San Antonio, Texas; the International IBEW Women's Conference in Washington, D.C.; the IBEW Third District Conference in Atlantic City, NJ; and the NECA Conference in Austin Texas in October. After the NECA Conference, things should calm down a little until the Annual Local 25 Kids Christmas Party. Then in January, it starts all over again with the EWMC Conference in Denver, Colorado.

We are still waiting on some prices for the renovations of the lobby, and we are also waiting to get some prices to paint the union hall. The lobby has not been touched since we moved into the building 30 years ago, and the union hall has not been painted in over 15 years. As I have stated in the past, all the renovation work to the union hall is paid for by BEWCO, our real estate holding company, which generates its revenue from our rental property, not from the members' dues money.

Brothers and Sisters that ends my report for this issue of the Conduit. Remember to work safe, turn off energized circuits, and always stick together out there.

REMEMBER IN UNITY THERE IS STRENGTH

PRESIDENT'S REPORT

BY JOHN GUADAGNO

The summer is once again winding down. We had a great summer for employment with all our members working for the sixth year in a row.

Our 51st Annual Softball Tournament was held on August 26th, 27th, and 28th at Baldwin Park. We had great weather the entire weekend. Local 3 won the upper bracket and Local 456 from New Brunswick, NJ won the lower bracket. Thanks to all that helped. With special thanks to chairman Joshua Margolis, Tom Skladel for making all the calls to members to help coordinate the hospitality station and run the tournament, Lisa Hofmann for selling our softball shirts, Welsbach Electric for transportation, and Able Rental Equipment for donating the generator.

The Local 25 Block Party was held on Saturday, September 13th at our union hall in the back parking lot. The weather was also great for this event, and all our Sisters and Brothers coming together made for a perfect day. My thanks to all that helped make the day so special: Chris Callahan for running the day and for his ribs, the Business Office, the Steward's Committee, Woman's Committee, EWMC Committee, Alex Strauss for serving the beer all day, Tom Lawless for taking on the role of Press Secretary, Jason Ugenti and Chanel Bensen for working the dunk tank, and Matt Rocco for DJing the whole day.

The elections are just around the corner and we as members of this great Local need only to examine the facts to see the obvious choice in candidates. This is not a general election year; Union members need to get out and vote! Please look over the endorsements of Local 25 and seriously consider them.

In closing, enjoy the fall and work smart until we meet again.
